1807/1809 Series

Extra Heavy Duty Push Plates

ABOUT THE 1807/1809 SERIES

Trimco's 1807/1809 Series Heavy Duty Push Plates are manufactured in the United States using 1/8" stainless steel, brass or bronze for extra strength and durability. 1807/1809 options include engraving for "PUSH" or "PULL", as well as different cylinder and custom cutouts for most applications. The top and bottom edges have an extra heavy bevel creating an appealing design.

FEATURES

- Manufactured in the United States of extra heavy duty 1/8" stainless steel, brass or bronze.
- Can be engraved with "PUSH", "PULL" or any custom requirements.
- Optional cylinder or special cutouts available.
- 1807's top and bottom edges have an appealing extra heavy bevel design. 1809's have all four edges beveled (B4E).

APPLICATIONS

- Retail & Strip Malls
- Commercial & Industrial Buildings
- Multifamily & Mixed-Use
- Government & Military Facilities
- Public Buildings & Facilities
