T-Life Finish

- T-Life is a lifetime finish by Trimco.
- T-Life accelerated corrosion tests suggest a lifespan of 35 years minimum!
- T-Life will not fade, tarnish or corrode.
- T-Life's coating is hard and abrasion-resistant.
- T-Life 605 finish will maintain the 605 finish for the life of the product.
- Longer lead times apply. Please contact Trimco for additional details.

NOTES

- * Finishes are considered "Special" and are available by quotation.
- Finishes are considered "living" and will patina over time. Due to the natural and expected changes, these finishes are not warrantied.
- † Finishes that include clear lacquer coating on brass or bronze product is not guaranteed. We suggest that these products be ordered without lacquer but be polished and waxed.
